### **Community Pharmacy Practice**

*Shuaibu Pharmaceuticals, Zaria (2024 - Present)*

- Improved Patient counseling and prescription management by 30%
- 100% Managing Record-keeping for poison and empirical therapy

### **Administrative Pharmacy Experience**

*Pharmacy Council of Nigeria, Bauchi State (NYSC 2023 - 2024)*

- Conducted licensing documentation and revenue analysis for community pharmacy premises, schools of health and patent vendors shop in Bauchi state, ensuring a minimum of 75% compliance with regulatory standards thereby improved pharmaceutical practices by 40%

### **Field Inspector**

*Pharmacy Council of Nigeria, Bauchi State (2023 - 2024)*

- Inspected pharmacy premises and patent vendor shops for compliance with regulatory standards in Bauchi L.G.A, Toro L.G.A, Kirfi L.G.A, and Ningi L.G.A.
- Confiscated unregistered or unlicensed medications to ensure 100% public safety.

### **Program Officer Assistant**

*SHF and USAID, Bauchi State (2023 - 2024)*

- Assisted in managing health-related projects funded by SHF and USAID in Bauchi L.G.A, Toro L.G.A, and Katagum L.G.A, ensuring alignment with donor requirements and organizational objectives.
- Represented the organization in stakeholder meetings, facilitating effective communication and project updates.
- Conducted project planning, implementation, and monitoring, ensuring data accuracy and compliance with grant requirements.
- Prepared financial reports, monitored budgets, and coordinated with partners to ensure project success.

### **Intern Pharmacist**

*Ahmadu Bello University Teaching Hospital (ABUTH), Zaria (2022 - 2023)*

- **Stock Management:** Managed stock levels in the store, ensuring adherence to FIFO (First In, First Out) and FEFO (First Expired, First Out) principles thereby reduced drug expiration level by 15% and maintain optimal inventory levels.
- **Monitoring and Evaluation:** Assisted in the Monitoring and Evaluation (M&E) unit, overseeing the inflow and outflow of drugs within the pharmacy units to ensure accurate inventory management. Monitored drug consumption patterns and prepared reports to support effective decision-making.
- **UDDS Unit:** Worked in the Unit Dose Drug System (UDDS) unit, ensuring precise preparation and dispensing of medications thereby improved patient safety and medication management.
- **General Dispensary:** Participated in the general dispensary unit, managing prescription processing, patient counseling, and ensuring the accurate dispensation of medications according to hospital protocols.
- **Data Management:** Produced standard price lists of new and old products monthly, contributing to the hospital's financial planning and inventory control. Assisted in tender release processes and represented the department during tender meetings with hospital management.

### **Part-Time Lecturer**

*AFNAN College of Health Science, Zaria (2023)*

- Tutored and mentored pharmacy technicians, imparting practical knowledge.

### **Pharmacy Manager**

*EMJAL Pharmacy, Zaria (2022 - 2023)*

- Managed the overall operations of the pharmacy, including staffing, inventory control for over 50 types of medications, and financial management.
- Ensured optimal stock levels of drugs and items, purchasing and restocking as needed to meet patient and operational demands.
- Analyzed drug consumption data and developed tools for consumption monitoring.
- Oversaw patient counseling, prescription management, and empirical therapy, ensuring high standards of patient care and compliance with pharmaceutical regulations.
- Represented the pharmacy in community health outreach programs, fostering relationships with patients, NGO's and healthcare providers.

### **Community Pharmacy Practice**

*Shuaibu Pharmaceuticals, Zaria (2021)*

- Managed patient counseling, prescription management, and empirical therapy.

### **Tutor Coordinator and Trainer**

*Faculty of Pharmaceutical Science, Kaduna State University (2019 - 2021)*

- Provided academic guidance and mentorship for 100 and 200 level pharmacy students.

### **President, NAKAPS (National Association of Kaduna State Pharmacy Students)**

*Kaduna State (2019 - 2021)*

- Represented all Kaduna State Pharmacy Students in several stakeholder engagements with the state government, advocating for student needs and institutional support.
- Led the association in organizing events, policy discussions, and community outreach programs, strengthening ties between the student body and external stakeholders

### **Class Representative**

*Faculty of Pharmaceutical Science, Kaduna State University (2015 - 2021)*

- Acted as a liaison between students and faculty, representing the interests and concerns of classmates in meetings with academic staff.
- Facilitated communication and coordination for academic activities and events, ensuring smooth operations and student engagement

---
